EMPOWERING DIGITAL MISSIONS & MENTAL HEALTH CARE with biblical excellence

The advancement of Digital Technology and high use of internet and social media in our daily routine has completely changed the way we access information. Our lives are being exposed to new digital tools everyday which in itself is changing the way we behave and interact.

Since its launch on July 15 2021, **School of Ministry & Digital Missions (SOMDM)** has embraced this new reality to help prepare and equip the Christendom and the Church in the post-pandemic world with its value-added and theologically sound Digital Missions and Psychology & Counseling Training courses.

We are here to continue equipping committed men and women in the body of Christ with proper training and mentoring to be effective Christian Counselors and Digital Missionaries in the Post-Pandemic World. We offer access to quality education, with an enriching and fulfilling experience of faculty-student engagement, peer to peer interaction and Digital Ministry engagement. Above all, our Online Education format gives you the possibility to be where you are and still be able to thoroughly complete the course requirements online and be prepared and ready for the God ordained ministry ahead.

FROM THE PRINCIPAL'S DESK

REV. BENSON ABRAHAM

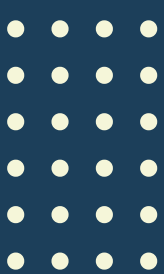

It gives me immense pleasure to write to all the readers of the 2026 Brochure of the School of Ministry and Digital Missions (SOMDM).

Since its inception on July 15, 2021, God has been gracious in all the endeavors of SOMDM that centred around equipping men and women as Digital Missionaries and Effective Counselors through the digital platform. We are also honored to have the seal of approval from the **International Association for Theological Accreditation (IATA)** for our academic venture.

I am thankful to God for continuing to help us in honing and refining this digital door of Theological Teaching, Ministry Equipping, and Counseling Training for the Called Christian adults through SOMDM. In the first three academic years, we have experienced divine providence in all aspects of the teaching and learning process.

As we enter into our sixth academic year, I am filled with excitement to welcome the new students on board for our unique MA and Short Term online programmes. And I am also looking forward to prepare the graduating students of SOMDM to be the salt and light to many perishing souls as they step out into the dark world out there after completing their respective programmes this year.

All the best wishes with prayers.

FROM THE COURSE COORDINATOR

MRS JANCY BENSON

We started with a vision to teach, train and equip committed men and women for the work of Christian Ministry in the Digital Mission Field and at the end of our fifth academic year, we thank God for enabling us to stand true to that vision so far.

Academics at SOMDM has been a true testament to a Student Centric Curriculum with a truly Digital approach to facilitate quality learning and collaboration over the weekdays and weekends.

All the enrolled students of the MA, Diploma and short term programs have tasted and seen the effectiveness of a Moodle Based Learning platform that not only makes their learning effective but gives a handy tool to the Teaching Faculty to teach and track the progress of each and every student. Looking forward to have new aspiring students on board in this new academic year.

FROM THE DESK OF REGISTRAR

JAISON ABRAHAM

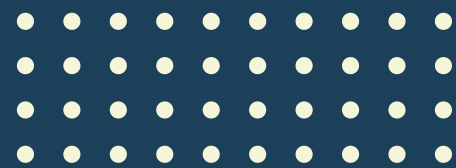

School of Ministry & Digital Missions has been through a great journey of God's faithfulness and providence. The student community @ SOMDM has grown to be close to 170 individuals from diverse backgrounds and culture who have enrolled to different courses over the last 5 years.

For the first five academic years we had close to 115 students who had enrolled for the MA and Diploma programmes offered at SOMDM.

We also had more than 65 external students additionally enrolling for the short term courses so far.

We have held fast to one of our values of being a student-centred institution where our highest priority has always been the success and growth of our student community. So come join us!

EQUIPPING EFFECTIVE CHRISTIAN COUNSELORS in the post-pandemic world

Enrolling in our comprehensive 2-year programme M.A. in Psychology & Counseling is a...

...transformative opportunity for individuals called to serve as Christian counselors in the church or even schools. This program uniquely integrates rigorous academic training in psychology with a strong foundation in biblical counseling, ensuring that graduates are equipped to address both the spiritual and psychological needs of the counselees or clients.

In the first year, students gain a deep understanding of fundamental psychological concepts and biblical counseling principles, along with insights into human development and personality formation. The second year focuses on specialized areas such as crisis counseling, major psychotherapies, and marriage and family counseling, as well as providing targeted approaches to counseling addicts and youth. The program culminates in supervised counseling practice, where students apply their knowledge in real-world settings, gaining invaluable hands-on experience. By completing this course, students will be prepared to offer compassionate, evidence-based, and faith-integrated counseling services, making a profound impact in their communities and strengthening the church's mission to provide holistic care.
